

## COMPANY PROFILE

### ABOUT US & COMPANY DETAILS

Incorporated in Kolkata in the year 2019 by a group of eminent engineers having more than 20 years of rich experience of working in prestigious companies like Shapoorji Palonji, DLF, Gammon India, Larsen & Toubro, Punjlloyd, HCC, Egis India, Highland group etc., **Isometric Engineering Solutions** is a **professionally managed integrated Civil, Interior, Structural and Architectural Design cum Project Management firm, offering End-to-End Solutions & Services for Corporate, Retail, Hospitality, Healthcare, Institutional, Infrastructure & Industrial sectors as well as Domestic segment under one roof.**

Despite facing severe business crunches amid the ongoing pandemic situations & lockdown since Mar' to July'2020 and Apr to Aug'2021, our Turnover Sales value increased manifolds attributed to repeated orders from customers from First Year Audited Sales value of 22.45 Lacs due to our **quality services within budget & accepted timeline with dedication & professional approach at surprisingly low costs.** This makes us a favourite & natural choice of clients and hence we receive repeated orders from esteemed corporate clients.

### OUR SERVICES

We offer entire range of **Civil, Finishing & Interior Fit-out services** on Turnkey or Labour Contracting basis as per client requirements. We also have **Project Management Consultancy services and Structural & Architectural Design** services managed by highly experienced & qualified professional Engineers.

### SPECIAL ATTRIBUTES

Special Attributes of our core expertise & experience lies in specialized engineering sectors like **Waterproofing, Renovation & Retrofitting of structures without dismantling, repairs by superior modern technologies like Jacketing, Micro-concreting, normal Grouting, injection or pressure or nozzle Grouting, Chemical Anchoring, Carbon Wrapping, non-destructive testing etc.** We are proud associate of **Dr. Fixit (as Authorized Applicator)** for above works.

### COMMITMENT & COMPANY POLICY:-

*We are committed to deliver products that fulfil client's expectations, unique personal styles and practical needs fitting into the budget. We mould our designs in such a way to suit the needs, sentiments and sensibilities of each of our valued customers irrespective of value of the work.*

**Company Policy** - *We value your money and carry your project as ours and endeavour to achieve "Better Quality Better Looks Better Innovation at Best possible price".*

## Our Expertise and Services

### Civil Engineering Domain

- ✓ Civil works execution of any kind of structure (RCC, Masonary, MS Structural Steel etc.) from small house to big multi-storied residential or commercial or hospital building or any other structure like Industrial structure, Metro Station building
- ✓ Other associated works like road development, Sewer & Drainage work, Treatment Plants, Plumbing & Electrical works, Solar systems, Rain Water Harvesting system etc.
- ✓ We provide finest & the most economical End to End solutions for house construction, Renovation & Retrofitting, work supervision or Project Management Consultancy by experienced Supervisors, Engineers & Architects. Other consultancy services include building Plan & Design as per corporation or municipality building rules, project valuation & costing, plan & structural approval from authority, execution and execution supervision.
- ✓ Waterproofing of all types & structures, other grouting works and strengthening of structures by Carbon Wrapping, Jacketing, Micro-concreting or other techniques and non-destructive testing. We try to add value to our Engineering services with real "Value Engineering" from our experience.
- ✓ We keep on updating ourselves with latest construction techniques of the industry

### Interior Designing & Architectural Services

**We can provide you the best solutions by transforming a dull & tedious home to an exquisite piece of art well within your budget with innovative ideas. We offer wide range of services as below:-**

- ✓ **Plumbing Work:-** All kinds of Plumbing work, Fittings, Sanitary & CP Fittings
- ✓ **Electrical Work:-** All kinds of Electrical work, Light Fittings etc.
- ✓ **Painting:-** External & Internal Painting, customized texture painting or artworks, 3D designs etc.
- ✓ **Wallpaper:-** Wide range and customized wallpaper as per design / drawing / pattern by customer
- ✓ **Flooring:-** Tile, Marble, Granite, Vinyl interlocking tile, Wooden flooring, PVC or Vinyl laminate etc.
- ✓ **Woodwork:-** All type of Modular Kitchen & Wardrobe, TV unit, Divan (cum Bed), Sofa (cum Bed), Box Divan Bed, Curtain Wall with combination of hydraulic system, sliding system, hinge system etc.
- ✓ **Curtain & Blinds:-** Designer curtains, imported rolling blinds, vertical blinds, jute blinds etc.
- ✓ **False Ceiling:-** Numerous designs of False Ceiling are done with Gypsum & POP board, PVC, MDF board, wood & wooden Ply etc.
- ✓ **Door & Window, Façade & Glazing Works:-** Glasswork, Aluminium or UPVC work, ACP, Structural steel or Stainless steel framing, Sensor door, or other available material.
- ✓ **Other decorations & works:-** Curtain wall, Carpet, wall decor, fancy light, chandelier, Landscaping, Horticulture, artificial grass etc.

## Clientele

### ***Our Corporate Clientele are as below:-***

- DLF Ltd.
- Canopy Projects Ltd.
- Sriram Group
- Simplex Infrastructures Ltd.
- SM Nirman Infrastructure & Development Pvt. Ltd
- Sohom Estates, Navin Space Housing LLP
- B Das & Associates Pvt Ltd.
- Premco Rail Engineers Ltd
- Aquateh Feed & Seafoods Pvt Ltd.
- Bengal Ultimate Resorts LLP (subsidiary of Mayfair Hotel Group)
- Bombay Beach Resorts

Apart from above we are enlisted vendor of Reliance Ltd (Reliance Jio outlet) and enlistment in progress for Candor Brookfield Ltd.

## BRIEF INTRODUCTION OF COMPANY MANAGEMENT

### ARINDAM MUKHOPADHYAY

Founder Member & **Managing Partner**  
B.E. (Civil) Govt Engg College  
PG in Construction Mgt (NICMAR), Structural  
Stability Analysis (Certificate course)  
9831030145 (Wapp), 8778945976

22 Years of working experience in diverse fields like Heavy Civil Infrastructure including Bridges & Metros (both elevated & UG with TBM C&C, NATM), Multi-storeyed Residential & Commercial Buildings, Power Plants, National Highways, Industrial Projects, Smart City implementation etc. in prestigious companies like Gammon, L&T, HCC, Simplex, Afcons, Egis India (French MNC). Specialist in Structural Engineering in Stadd Pro & AutoCAD, Renovation & Interior Designing, Civil Construction, all Finishing works, Waterproofing techniques, Estimating & Costing, Quality Control, PMC & Project Management, Project Management software like Primavera, MS Project etc.

### ASHOK KUMAR

**Managing Partner**  
B.E. (Civil) Govt Engg College  
9748410832
